Quincy "Dow" Farley

Coach

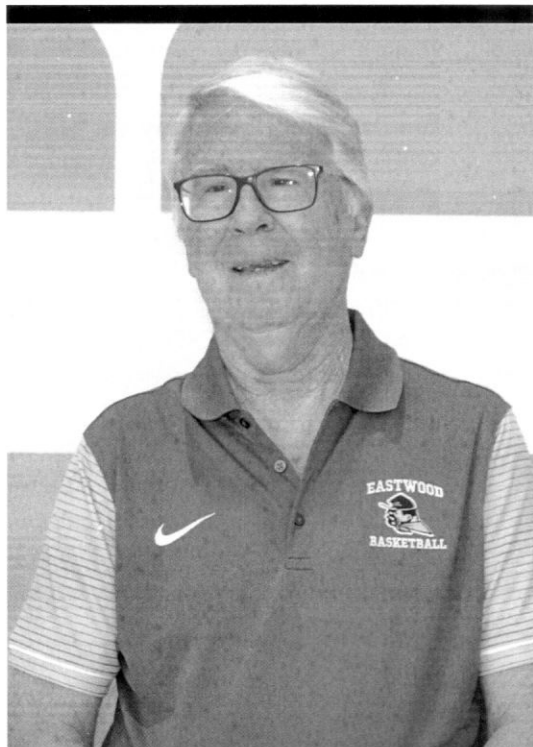

Quincy "Dow" Farley is 60 years old and has been married to his awesome wife Krystyne for nineteen years. They have been blessed with two beautiful children; Ryan Perez and Chase Farley, and four exceptional grandchildren; Kaidence, Xavier, Charlee and Oakley. He has two great brothers and a huge extended family.

Dow was born and raised in El Paso, Texas. He is a 1976 graduate of Burges High School and a 1982 graduate of the University of Texas El Paso. He received his master's degree from Sul Ross University.

In 1974, he began lifeguarding at the Blue Dolphin; a job that also morphed into coaching the younger swimmers. He coached summer league swimming at various pools. In 1982, he got hired at El Paso High School as a teacher and a swim coach. This began his high school career. He continued to coach summer swimming at the El Paso Tennis Club which was a great

combination. He was lucky enough to win three city championships while continuing to build the swim program at El Paso High School. Later in the 2000's, he was given the opportunity to coach with a new club team; the West Texas Typhoon's. The West Texas Typhoon's produced many collegiate level swimmers including national champion and Olympic trial swimmer, William Licon (2018 H.O.F. inductee) and state champion, Victoria Garcia. For the past 37 years, Dow has been the proud head swim coach of El Paso High School.

With the sacrifice and encouragement of his amazing family, the hard work of his invaluable assistant coach Betsy Ighnat, the support and generosity of his administrators, parents and boosters, and the never-ending work of the countless swimmers, he can truly say that "we" have created one of the most successful swim programs in the state.

Gary Pippen

Coach

My basketball career started as a player at Bel-Air High School where I played four years of basketball and continued into college at Willamette University where I played my freshman year. After graduating from Willamette with a history degree, I returned to El Paso and in 1967, thanks to Coach Bob Lesley I became his Junior Varsity Coach. In 1970, Uncle Sam came calling and as a result I put my coaching career on hold and went into the US Army. Then in 1973, I resumed my teaching and coaching career at Eastwood High School. In 1976, under the leadership of Bob Lesley, Eastwood won the 1976 Boys Basketball 4-A State Championship.

In 1993, when Bob Lesley retired I became Eastwood's

third head coach until I retired in 2018.

During my tenure as head coach, I was named "Coach of the Year" by the El Paso Times and El Paso Herald Post in 1996 and again in 1997. From 1967 to 2018, Eastwood won 1062 games and qualified for the State Tournament 36 times.

Coaching basketball has always been my true passion but teaching Government is a close second. In 1987, I was honored by my colleagues as Eastwood's "Teacher of the Year".

What do I do when I am not in the gym or in the classroom? I travel. My wife Pam and I have traveled extensively throughout the world with family, friends, and students and plan to continue, especially with retirement on the horizon.
