The Candidate must not have been convicted of a felony.

The Candidate must not be indebted to the El Paso Athletic Hall of Fame.

Athlete must have competed in sanctioned athletics as a member of a team or as an individual. Must have lived in El Paso County for 10 years, as shown in the EPAHOF Bylaws, Article IX, section 2. Nominee must have demonstrated individual performances beyond the standard position requirement of category nominated for.

Example: A team wins a District/Conference title. As a member of that team, it does not qualify alone as an exemplary individual feat worthy of nomination. If a track athlete helps the team win District and athlete is named all district, delivers a record-breaking time, or is named all-State, all-Conference, all-American the odds improve for nomination. In international competitions such as the Olympics or other types of world qualifying events, that also can increase the odds for nomination.

An individual who has demonstrated excellence in the performance of one or more team or individual sports. **An individual with Athletic credentials and Coach/Administrator credentials can be nominated in either category, not both and must be declared at time of nomination as to which category. (Two individuals selected from Living Athlete category).**
